Minutes

1. Proposal to hand Quiz to students

Attendees: Aimee Gaffney, Nadine Krejci, Simon Farrell, Sarah Brown, Ann Conlon, Yasmin Majidi, Jess Simao.

Jess did a presentation about Zero to Hero and the work it does supporting young people with mental health challenges. She proposes that a group of students spearhead the Quiz and any funds made can be donated to the organisation. But, more importantly, this Quiz gives the students a forum to highlight the support this organisation provides to any student who may be struggling with their mental health.

Motion: Hand over the organisation of the Quiz to the students, with the P&C playing a supportive role.
