The minister announcement re safe schools. - Violence in schools. Tension around grey areas in the legislation.

School administrators are being put under pressure from adverse parent interactions. BHC don't really see this type of behaviour. Elements of this will be in the parent update this Friday.

Recruitment- Another associate principle to look after health and well being. - Both student and teacher well being.

Recruitment for staff for next year is also underway.

Parent cloud and interdisciplinary learning - Number of parents are coming in to participate. Cross curricular learning that is being undertaken with year tens. Asked a conceptually difficult question like "what does it mean to be human" and asked to present an answer.
